**Primary Workshop Participation for the Client**

Progress towards target participation in primary workshop(s) (hours)

15 | Target Hours

12 | Total Hours Received

Monitor workshop participation and progress towards target

# Workshops

- / **All clients are expected to complete target hours of primary workshops**
  - Some grantees also offer optional workshops
- / **Use nFORM's registration feature to register clients for workshops in advance**
  - Clients can also drop-in to some workshops
- / **Generate paper roster from nFORM before each class to record attendance**
- / **Enter session attendance in nFORM immediately after each class, then securely shred paper roster**
- / **Recorded attendance appears on each client's profile and in nFORM reports**

# Individual service contacts (ISCs)

- / On Service History tab of client profile, record all HMRF-funded services provided to a client or couple**
  - Some ISCs can be recorded in bulk for multiple clients
- / Record ISC date, case manager, contact method, length of contact, and issues/needs discussed**
  - Record whether there was direct client contact and whether anyone else was included in the contact
  - If serving couples, record whether ISC provided to one or both partners

# Types of ISCs

**Substantive**

- Lasts 15 minutes or longer
- Involves direct client contact
- Covers issues/needs beyond reminder contacts

**Reminder-only**

- Serve only as reminder to client about outstanding or upcoming service
- Only issue/need recorded is “Reminder contact”

**Other**

- Includes all ISCs that do not meet criteria for substantive or reminder-only ISCs
- E.g., sharing resources

ACF requires Fatherhood FIRE grantees to provide each client with at least 8 substantive ISCs

# Referrals, incentives, and program supports

## / Record referrals in nFORM when given to clients

- Check in with clients and record in nFORM whether they follow up with referrals

## / Record incentives and program supports when offered to clients

- Discuss your grant's ACF-approved incentive plan with program leadership

- / Consider pace and design of client enrollment and service delivery to plan how and how often to review nFORM data**
  - Query tool helps programs quickly check progress towards ACF targets
  - Use nFORM data tools in combination to drill down on specific questions
- / Check frequently to make sure data are entered in a timely manner and are accurate and complete**
- / Prioritize client confidentiality when reviewing nFORM data**

# nFORM 2.0 data tools

## QPR/PPR

- Year-to-date progress on HMRF performance measures
- Generate current QPR or PPR (and school year performance report for R4L grantees) at any time for updated information on grantee performance

## Query tool

- 7 separate tabs show visualizations of aggregate progress on client measures
- Explore performance by different factors including time frame and service type

## Operational reports

- 15 Excel reports to help manage day-to-day operations and track performance
- Summary and detailed reports to be reviewed individually or combined

## Data export

- Access all nFORM data except for PII
- Data organized on separate tabs by data type for in-depth analyses
